Letter From the President

Dear CRA members and supporters:

CRA's growth continued unabated in 2024, our third full year of operations. Our membership has doubled, and the geographic breadth of our membership now spans thirty-five states. The organization also launched in six new states in 2025 (North Carolina, Kentucky, Indiana, Louisiana, Alabama and Nebraska) bringing the total number of state launches to twenty-four. We enjoyed hosting about 120 attendees from twenty-five states at our annual conference in beautiful Florida, and our tremendous sponsors have continued to provide their unwavering support.

In order to ensure that CRA continues to provide valuable service and opportunities to its members and sponsors we hope you will be in touch early and often as 2025 progresses so that we know how best to be a partner in meeting the professional needs and goals of our members. In this report, you will find some data and financial results on CRA as of year-end 2024. You will also find the information on each of the CRA state directors appointed to-date. State director initiatives and efforts will this year be organized by a state directors committee, lead by Gene Buccola (Oregon) and Frank Simon (Michigan). This year the organization as a whole looks forward to supporting the leadership, ideas, and goals established by our state directors.

In the meantime, CRA will in 2025 seek to expand member resources and member opportunities including through partnerships with industry-related organizations such as TMA, AIRA, and state banking associations. If you are interested in assisting in such efforts we look forward to working with you. Likewise, in addition to the CLE offerings at the annual conference, CRA in 2024 continued to produce online webinars. We are constantly in the process of planning upcoming webinars. If there are topics, suggestions and even constructive criticisms you would like to share we look forward to hearing them.

No matter how we were able to connect with you this year, whether via the CRA ListServ, through direct correspondence, meeting at the annual conference, through webinars, at a state launch event, or at one of our cocktail receptions in Florida, Missouri, Illinois, New York, Washington or Maryland, your active participation, input and ongoing support has been greatly appreciated and is highly valued. We look forward to continued growth and improvement in 2025.

As always, if you have suggestions, comments, tips, or would like to volunteer for webinar topics, launch events, networking receptions, committees, or partnerships with other organizations, we hope you will please be in touch.

Sincerely, Eric Peterson CRA Board President

The CRA Board

For me as a new member, I have been most impressed with the general community feel of CRA. There's a clear undertone of the members wanting to help connect the other members to each other and to the most qualified parties for any issue or deal.

As more businesses across the nation turn to receiverships over other forms of insolvency, the Commercial Receivers Association plays a vital role in securing, strengthening, and standardizing this growing practice.

Financial Overview

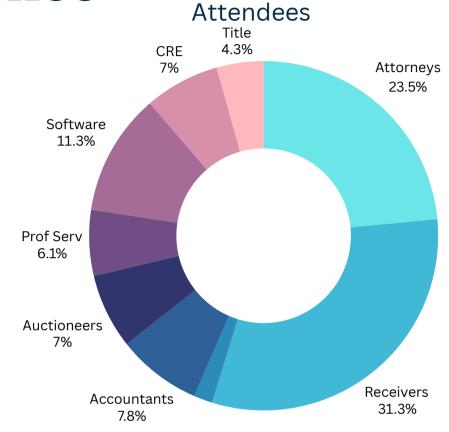

| Annual | Conference

From August 18 - 21, 2024 nearly 120 CRA members met at the beautiful Eau Palm Beach Resort & Spa in Palm Beach, Florida for CRA's Third Annual Conference.

Members from more than 25 states were in attendance, and enjoyed three and half days of programming, with sessions ranging from topic areas of "What to Include in a Receiver's Report" to "Securitization: the Ins and Outs of CMBS Receiverships." Keynote speakers included Peter Warmka on the Art of Solicitation and Shari Bower of the Federal Reserve. The conference also saw CRA's first-ever Potter Awards, honoring those practitioners in the receivership space for their work and insight. Award recipients included: Jonathan Friedland and DailyDAC, Anthony Facciano and Stretto, Daniel Stermer and Development Specialists, Inc, and Frank Simon.

Each evening offered a different networking opportunity, allowing members to get to know one another on a deeper level, while increasing connections and community.

From Board member Emily Cantwell, "CRA's annual conferences do a fantastic job of blending in substantive learning opportunities with networking. I always come away from these conferences with notable practice points, as well as an expanded professional network. I would encourage anyone in the receivership space to attend."

The conference would not have been possible without our sponsors, and CRA thanks each of them for the continued support. We look forward to seeing everyone in St. Louis for the Fourth Annual Conference in August 2025!

| Navigating | Receiverships

The Navigating Receiverships Podcast was launched at the 2024 CRA Annual Conference with a focus on sharing the experience and stories of the CRA membership. It continues to grow in popularity with it's bi-weekly schedule of podcast releases and is available on most major podcast platforms including Apple Podcasts, YouTube, Podbean, Spotify, iHeartRadio, Amazon Music/Audible, among many others.
